WEEKLY SOLID WASTE COLLECTION

\$ COLLECTION DAY IS THURSDAY.

\$ Solid waste amount shall be unlimited, one household per account.

\$ Solid waste collection begins at 7:00 a.m. Please have trash at curb prior to that time to ensure collection. J&J cannot be responsible for non-collection due to late curbside placement.

• Solid waste should be put out in 32-gallon containers with lift handles weighing no more than 50 pounds. You may also use standard 30-gallon trash bags, if placed curbside on the morning of collection.

• To avoid damage by nocturnal animals, plastic bags containing food debris must not be put out until the morning of collection, prior to 7:00 a.m.

\$ 55-gallon drums, barrels, or cardboard boxes are not acceptable containers and may not be used.

\$ Bulk materials (brush, shrub trimmings, fencing, carpeting, etc.) shall be cut into 48" lengths and tied in 18" bundles weighing not more than 50 pounds. Construction debris will not be picked up in the normal collection. Call to arrange for a dumpster at extra charge for construction debris.

\$ Leaves, grass clippings, or decomposable yard waste material may be put in bags or other suitable containers and placed at the point of collection for pick-up.

\$ Furniture and appliances will be picked up on the regular collection day when placed next to trash.

\$ DOORS MUST BE REMOVED FROM REFRIGERATORS AND FREEZERS.
