Northfield Center Township and Simple Recycling are excited to announce a **simple, easy and free** new way to recycle your clothing, shoes, accessories and other household discards such as kitchenware, tools, toys, homegoods and books.

In cooperation with Northfield Center Township, Simple Recycling provides a simple and convenient way to keep this 100% recyclable and reusable material out of landfills to give these items a second life.

### step 1

Place clothing, shoes and small household items that you no longer need in the bag provided or other waterproof bag with a tag or large label reading "SIMPLE RECYCLING."

Enclosed are two Simple Recycling collection bags to get you started. Whenever you use the Simple Recycling Collection bags and/or tags, the collecting driver will leave another bag for you to use the next time you have materials for collection.

If you need more collection bags between pick ups, please call us at 866-835-5068. We will promptly send you more.

### step 2

**Leave the designated bag(s) curbside on the same day you place your out your recycling for collection.**

Simple Recycling's focus is on clothing and textile recycling, but we are able to take any small homegoods in working condition, too. This program is in addition to your current recycling program. Your recycling cart/bin collection will remain the same.

Please refer to the list on the other side of this brochure for items that are acceptable for recycling and collection.
